Dago,

We've currently received a request from the City of Donna to transfer 2 Ford Rangers to them. These units are no longer being used by PCT staff since we got 2 replacement vehicles for them. Now I've confirmed Rolando at Budget that these vehicles can be transferred out to another entity and I was just asking for some assistance in getting this done. I remember we did this kind of transfer from the city of weslaco but it was the county receiving an asset and this time it would be the county transferring out an asset. I remember something about obtaining the fair market value of the unit and needing both Commissioners Court and the City Council approving it on thier agendas but I'm not 100 percent positive on the process, think you could help me out?

Alex,

Sorry for the delay. The procedures you specify in your email are correct.

Market Value

Agenda item requesting donation thru Commissioner's Court

City Council approval to accept the donation

Once you have that, you should be able to transfer.

Let me know if you have any questions.

Thanks,
