Good morning Jorge,

We concur with the negotiated scope and fee for the Mile 6 W project and is acceptable for further processing by Hidalgo County. Keep in mind that any costs above the funding per the AFA will be 100% the responsibility of the county.

Please provide me an executed copy of the contract/WA between Hidalgo County and SAMES Engineering. If you have any questions, feel free to contact me at your earliest convenience.

Dora,

As discussed please see the attached revised proposal with those recommended changes. Your comments would be greatly appreciated. If no further comments please kindly provide your concurrence as discussed. Thank you again so much for all your assistance in this matter.

Respectfully,

Jorge Peña
