Mr. Alaniz, unfortunately no, I need to redo alot of the locations for the computers, as some of those locations do not make any sense, and there are other items that were in the Youth Village, now disposed of, on the spreadsheet. I will work on it this week, but I now that it will not get completed until next week.

FYI: Asset 60564 is at the Juv. Detention Nurse's office.

Thank you for the information, I will get with Monica Salinas to create an agenda item to have them removed from you inventory.

Questions Sgt. Martinez once the assets are removed and you are 100 percent complete who will sign the certification letter?

Mr. Alaniz,

I am returning the spreadsheet with updated locations. FYI: all those computers have either been picked up by your department and surplussed or went in the trash with the Youth Village gutting.

Good Afternoon Sgt Martinez,

Sgt Martinez I am sending you the listing of assets for your dept.

The assets that are highlighted in yellow are accounted for, I was going over my paper and I might have missed some assets.

Can you please verify the assets pending and let me know the location of the assets in question.

Thank you,
