RE: FY 32 Computers quotes

Per our telephone conversation, I am returning the enclosed memorandum from Marisol Vidales, Library Director, regarding the 26 public computers for your adult patrons.

Your submitted work plan doesn't include these computers. In your request to fund, you submitted shelving photos. Therefore, I am returning these computers quotes via mail.

Approved in your work plan is the purchase of shelving, chairs, table and bench sofa.

2018 Public Services Library for shelving shows \$20,000.00 and 2019 also reflects \$20,000.00

However, I would like to bring attention to the cost of the serpentine sofa which doesn't seem to be cost-efficient at all. Please request new quotes for furniture approved in your work plan.

Your work plan focuses on shelving; therefore, you must first purchase the shelving and then other equipment.

Should you have any further questions, please do not hesitate to contact me at our Urban County offices.

Thank you very much.

Sincerely,

Luciano S. Garza, III.

Re: Urban County Fiscal Year 32

(FY 2018)

I am providing three quotations for Urban County Fiscal Year 32. The quotations are to replace all 26 public computers for our adult patrons. The following are the bids from lowest to highest:

Systeme - \$17,498

CDWG - \$41,722.07

Dell - \$52,448

The computers are not the exact same model but they do follow the same specifications which are:

All-in-One models

Memory – 16GB

Windows 10 Operating System with a 64-bit OS

Hard Drive Ram – 240GB -256GB

Systeme is the lowest bid as the computers are refurbished but they come with a five-year warranty. Other public libraries have used them in order to replace their public computers and have had no issues. Using Systeme is the only way I will be able to replace all 26 computers at once and remain within the original requested amount of \$20,000.
