Dear Commissioner Cantu and team,

Thank you for your recent progress report for the Hidalgo County Pct 2 Las Milpas Park Youth Facility. It is now marked as complete. We appreciate your communication of the project delays encountered with the upgrade to the water line. Nonetheless, we are excited that the work has been completed on the water line, a construction contract has been secured for the facility, and this project is moving forward. Your request to extend your project timeline is approved.

Please provide an updated program budget with broken down construction costs for the VBLF column. Also, please be sure to complete the revenues section of the program budget that covers the budgeted expenses from other sources.

Thank you for all your hard work on this project. If you have any questions, feel free to contact our office.

Best regards,
