Good morning Evelyn,

As discussed, attached please find a copy of Change Order No. 1 to GMP 2. As I mentioned this change order would extend the project completion date to September 14, 2020 given the unforeseen circumstances that arose from the subdividing of the property where the facility will be built and the issuance of the construction permit by the City of Pharr.

In addition, I have attached a copy of GMP 2 that includes an itemized breakdown of the construction cost for your records (Exhibit A-3).

Please review the request for the time extension of the project and let me know if you approve.

Respectfully,

Hi Erika,

I apologize for my late response. Are you able to email me the CAFR? I am not seeing it on your application, but you definitely do not have to drop off a copy.

Thank you for submitting your progress report. We will review it and provide feedback.

As a reminder, please deposit your grant checks mailed in November and earlier this month. It would really help our accounting department. I hope you have a wonderful holiday season. Merry Christmas and Happy New Year!

Warm regards,

Evelyn

Subject: Pct 2 Las Milpas Park Youth Facility Project - Grant Progress Report

Good evening Evelyn,

Precinct 2 has submitted the grant progress report for the Precinct 2 Las Milpas Park Youth Facility Project.

Regarding the financial statements, I believe when we applied for the grant we submitted a copy of our annual comprehensive annual financial report that is prepared by our Auditors Office, but since the file is so large I was not able to attach online.

Please let me know if you would like us to have a copy dropped off.

In addition, should you have any questions regarding our progress report please feel free to contact me.

Respectfully,

Erika Zamora
