Subject: Book Donation

Captain Vasquez,

Good afternoon. I hope this message finds you well.

My name is Aaron Magaña, and I was directed to you in hopes of coordinating a Christian book donation.

My church group, under the care of Pastor Nick Maddox—who oversees the BT Church Young Adults program—would like to coordinate a Christian book donation to the Hidalgo County Sheriff's Jail. My wife and I have been assigned as ambassadors to communicate between the two parties.

Our church group would like to gather a myriad of approved Christian books to donate to the inmates of the jail in hopes of offering them a chance for life change through the Gospel—both within the jail and in their lives after. It has been our experience that what people turn to in their darkest moments has a profound effect on their life trajectory, and God has a way of working in people's hearts when they have no other hope to turn to. We would love to be involved and change not only their lives, but the lives of their families, friends, and the Rio Grande Valley, and this is a valuable step in that mission.

I would like to know if there are any procedures in place to conduct such donation and what they might be so that we can operate as smoothly as possible.

Please let me know if this can be done. Also, please do not hesitate to contact me with any questions or concerns regarding this matter.

I can be reached at aarongilmag@gmail.com.

I look forward to hearing from you soon.

With kind regards,

Aaron G. Magaña
