**From Mile 9 to Mile 11**  
**Hidalgo County, CSJ: 0921-02-420**

Dear Mr. Alvarez:

Attached please find tabulation and bid analysis conducted by our project engineer, L&G Engineering, including their recommendation to consider an award for the above referenced project.

Hidalgo County agrees with the project engineer's recommendation and is seeking concurrence and approval from TxDOT in order to take action and award the contract to the responsive bidder that submitted the lowest and best bid: Texas Cordia Construction of Edinburg, Texas in the amount of \$12,069,056.81 (excluding deductive alternates 1, 2 and 3). See attached bid tabs as well as engineer's recommendation for bid summary.

Please be advised that Hidalgo County is asking for your concurrence on awarding this construction contract based on the following:

1. Engineer's Recommendation
2. Bidder meets all Federal and County requirements
3. Bid is the lowest received

In addition, we have attached an updated plan development checklist to this submittal updating the letting and award section. Hidalgo County acknowledges (as per the AFA) that any costs above the approved Federal and/or State available funds are the responsibility of Hidalgo County. Should you have any questions, please feel free to contact me at (956) 968-8733.

Sincerely,

David L Fuentes
