Electronic Funds Transfers (EFT) Authorization Agreement

We, the Provider, certify that the bank account information listed on this form is under our direct control. We authorize Aetna Better Health, on behalf of itself and its affiliates (hereinafter “Aetna Better Health”), to initiate credit entries to the account at the bank listed on this form for all claims payments. We authorize and request the bank to accept credit entries by Aetna Better Health to such account and to credit the same to such account.

We, the Provider, understand that if our account is closed and a new Electronic Funds Transfer (EFT) Authorization Agreement Form has not been submitted and processed, we will not receive payment until our bank returns the funds to Aetna Better Health. This authorization remains in effect until we submit an updated Electronic Funds Transfer (EFT) Authorization Agreement Form requesting termination or change and until such time that Aetna Better Health has had a reasonable opportunity to act on such request or Aetna Better Health notifies us that this service has been terminated. If our depository information changes, we agree to submit an updated Electronic Funds Transfer (EFT) Authorization Agreement Form to that effect.

Aetna Better Health will not debit or deduct funds directly from my bank account for claim overpayments and or refund requests but, If Aetna Better Health credits more money than the correct benefits amount to the account, due to duplicate electronic funds transfers (where “duplicate” is defined as multiple electronic funds transfers received for the same services rendered, the same membership and the same dates of service) or erroneous electronic funds transfers (where “erroneous” is defined as complete electronic funds transfers received in error), Aetna Better Health will pursue immediate repayment with the Provider.*
