This came in after 5. I was not able to get to it. Maybe David can review. I will send the other easement agreement that he is referring to in separate email.

Good afternoon Mr. Vina-

Please see email ( set forth below) from Mr. Jeremy Lewis, with RWE, they want approval for a "Request for Access"  
for some county roads. Please advise if the language on the attached document is ok, so that I can proceed to place  
on commissioners court agenda for approval.

I reviewed it and found the language pretty familiar to the request for access we recently approved for the United States  
EPA department.

I will await your response.

Thank you,
