Forgot something Armando. Please reply back to this email with reason for extension. (We need it for our records). Once done, I'll upload it into the grant and create the grant adjustment for the extension.

Good afternoon,

We can give you an extension to 03/31/2020 for this grant. Any costs incurred for working Stonegarden during 02/29/2020 to 03/31/2020 can be reimbursed upon approval of the extension.

Please let me know if you agree with this. If so, I will go ahead and create the extension in egrants. This will need to be certified by the Authorized Official.
