Dear Ms. Villarreal:

Please see the attached Amendment 7 for HDR you requested. Please contact me if you have any questions, concerns or revisions.

Also, please take note of the Disclaimer in the second bullet point in HDR's proposal to the County and in the qualification in Sec. 1(a)(v) of MHI's proposal to HDR. Is the County willing to accept these given present circumstances?

Finally, Jacobs should verify that the proposed scope of services is appropriate for the need.

Thanks,

John Hawkins

Rocio,

This is a proposal that needs to get pushed through quickly so that product testing can happen Wednesday of next week and construction can continue on schedule. Is that possible? This all came about this week, so we're all responding to this in haste.

Let me know.
