Thank you for contacting ACC to meet your accessibility needs.

ff

ACC will conduct a TDLR Texas Accessibility Standards (TAS 2012) plan review for a fee of \$700 and a TAS inspection for a fee of \$850. TDLR requires a \$175 fee to register the project. (Total fees: \$1,725). Upon receipt of the fees (PO), registration form, and plans in pdf, ACC will register the project, pay the registration fee, review the plans, and submit the plan review report to the owner and architect.

ACC will conduct the inspection when a Request for Inspection form is submitted by the owner. The inspection will be conducted with a representative of the owner on site and the report will be submitted to the same parties as the plan review. All required forms and reports to TDLR will also be submitted.
