Detach here and return notice ▲ in the envelope provided.

A Special Message from
Jim Pauley
President and CEO, NFPA
1 Batterymarch Park, Quincy, MA 02169

Dear Homero Garza,

It has been brought to my attention that **your NFPA® membership expired on 03/13/20.**

If you respond by 5/8/2020, **I am willing to make a special exception** and see to it that your membership is reinstated.

However, **you must respond by 5/8/2020.** Otherwise, NFPA will be forced to start termination procedures and revoke your NFPA privileges. As a person dedicated to fire, life, building, and electrical safety, don't you think it's too big of a risk not to be an NFPA member?

Remember, if you already signed up for the online community, **NFPA Xchange™**, you will lose access to the exclusive 'Members Only' section where you can submit technical questions (nfpa.org/technicalquestions) directly to NFPA technical staff.

If you have decided not to renew your membership, please send us a note and tell us why. Your information will be kept confidential.

Please respond by 5/8/2020 so that I can reinstate your membership and welcome you back as a member in good standing and a leader in fire and life safety.

Sincerely,

Jim Pauley
President and CEO, NFPA

P.S. This is your **LAST CHANCE** to reinstate your membership including your NFPA voting rights. Act now! Return your dues in the envelope provided. For fastest service, renew online at **nfpa.org/renewtoday** or call **1-800-344-3555**.
