<a href="#">SUBCHAPTER B</a>	PRE-ADJUDICATION AND POST-ADJUDICATION SECURE FACILITY STANDARDS
<a href="#">RULE §343.222</a>	Heating, Cooling, and Ventilation

---

(a) The facility shall provide fully functioning heating and cooling systems adequate for the square footage of the facility. However, areas of a facility from which residents are restricted (e.g., mechanical rooms, storage rooms, etc.) are exempt from this requirement.

(b) The facility shall provide a fully functioning ventilation system adequate for the square footage of the facility.

(c) The facility shall maintain an alternate means of ventilation in the event that regular power is interrupted. The alternate means of ventilation shall ensure there is a mechanical means of bringing fresh air into and exhausting stagnant air out of all resident-occupied housing areas, such as placing an industrial-sized fan in front of an open door or window to bring in fresh air and placing another industrial-sized fan in front of another door or window to exhaust stagnant air.

(d) Documentation of any malfunctions or repairs made to the heating, cooling, and ventilation systems shall be maintained in the facility's maintenance log.

**Subject:** Hidalgo County Juvenile Justice Department Proposal # 4066

Good Afternoon Mr. Corona,

I just wanted to recap on our recent conversation in regards to using proposal (4066) for the total amount of \$48,100, which would waive the payment bond. As discussed, you would be agreeing to providing the material and services as requested by the Hidalgo County Juvenile Justice Department. Furthermore, you would also be agreeing to receiving payment upon completion of the project within a reasonable time. Would you please confirm that you agree to the statements that have been mentioned above by providing me with a response?

Respectfully,

***Russell R. Solis***
