Good Afternoon Ms. Saenz,
I am working on the requested amendment, and have a few questions/comments. I believe with the additional information that you provided that it may alter the Precincts' estimated project total increase. Additionally, you indicated the inclusion of a geo technical engineer. Are these services also included in the current estimate increase? What was the basis and/or relied upon by the precinct to increase the estimate?

Could you please contact me to discuss at your convenience. I recommend we attempt to address all issues in one amendment.

Hi, Bobby-

Per our previous conversation, please review and approve as to form a "draft" Amendment (attached hereto) for AIA agreement with ERO for the "Design & Construction of the New Mechanic Shop at Precinct 4".

I also attached a copy of the AIA for your reference.
