Good afternoon Darien,

I hope this e-mail finds you well. Due to the ongoing COVID-19 crisis, we want to make you aware of the most recent timeline from HHSC regarding upcoming IGTs. HHSC has made the following updates to the supplemental payment calendar to assist hospitals with their cashflow concerns:

- *Uniform Hospital Rate Increase Program ("UHRIP") PGY4 Advance IGT split into two separate IGT due dates*
- *Uncompensated Care ("UC") DY9 Final IGT due date moved up from September to June*

Below is the latest IGT timeline as provided by HHSC.

| | IGT Deadline | Settlement Date |
|---------------------------|--------------|-----------------|
| UHRIP PGY4 Advance (Pt 1) | June 2 | June 3 |
| UC DY9 Final | June 4 | June 5 |
| DSRIP DY9 Round 1 | July 2 | July 3 |
| UHRIP PGY4 Advance (Pt 2) | August 9 | August 10 |

HHSC will likely send out the support needed to calculate the IGTs to providers approximately two weeks before the IGT due date. To ensure the request from providers to you is 100% accurate, detailed coordination with the other hospitals is required to ensure maximum funding is generated. As always, we will push to provide the recommended IGT amounts as soon as possible. In order to meet the upcoming June TexNet deadlines, please confirm the following:

1. The latest possible date we can provide you the recommended IGT amount for UHRIP PGY4 Advance Part 1 (Due June 2nd) and UC DY9 Final (Due June 4th)
2. If Hidalgo County will be providing any non-LPPF IGT funding for this UC funding period, please provide the amount

Let us know if you have any questions and thank you for your continued assistance and flexibility.

Thank you,
