Good AM,

Attached is the response that I sent you regarding the additional OT funds. The funds have been obligated per the attached email from our OCDETF coordinator in Houston. I'm not sure if an official letter is sent out every year since I am not involved in that correspondence. Let me know if the attached email is OK.

Good morning Juan,

I was wondering if there was any chance you could let me know when we could expect to receive the official documentation for the additional funding for Angie Perez?

As per my auditor, we need to submit the last reimbursement request for \$1,573.28. However before we can do that we need the documentation stating that we were in fact awarded additional fund.

I am so extremely sorry for the hassle of having to look for this document but it is needed because we need to go to CC to have the additional funding approved for us to accept it.

Respectfully,
Sabrina Solis

Good afternoon Sabrina,

Have you heard anything on the additional funding for your OCDETF OT grant? I know you mentioned you were not planning on working it any longer but we still need to cover the negative funds of \$1,573.28.

If you have any questions do not hesitate to ask. Have a great day!!

Jose Rodriguez
