I hope this finds you and all at the County doing well.

Please see the attached draft Amendment No. 9. Given the cost, will this go to Commissioners' Court, or is a different signature block required?

Thank you for the copy of Amendment No. 8

Best wishes,

John

Good morning Rocio,

That is what I was trying to figure out in my email when I first sent it. Is this going to be a WA or an amendment? When we first started we had a small one that was a WA but the rest have all been amendments even if they were less than \$50k.

Thank you,

Hi ladies,

Does it have to be in a certain format? All other items for HDR have been Amendments and one WA (001); this is a change order correct? or WA? This has no signature lines. Most of the ones I get signed for MTI are either CO's.

Please advise/edit if needed.

Thank you Monica! The next one they are inquiring about is the small HDR AV Tech CO that I sent you. Just needs signatures, no court. The work was already done so they are asking for it.

Have a great day,
