  {  
COUNTY OF HIDALGO        {

**COOPERATION AGREEMENT**

**THIS AGREEMENT**, made and entered into by and between the County of Hidalgo, a political subdivision of the State of Texas, hereafter referred to as "County" and the **City of Progreso** a municipal corporation under the laws of the State of Texas, hereafter sometimes referred to as the "City".

**WITNESSETH**

**WHEREAS**, The City has elected to have its population included as a portion of that population of the County in the County's "Urban County" application to the U.S. Department of Housing and Urban Development for the thirty fourth, thirty fifth, and thirty sixth year's funding for the Community Development Block Grant Program, said application being hereinafter sometimes referred to as the "Grant Application"; and

**WHEREAS**, The County is willing to include all of the City's population in the Grant Application; and

**WHEREAS**, The 93rd Session of the Congress passed and the President of the United States signed into law, the Housing and Community Development Act of 1974 for the specific purpose of developing viable communities; and

**WHEREAS**, Hidalgo County desires to continue the designation as an "Urban County" by the Department of Housing and Urban Development in order to receive a formula share of program funds provided said County has an appropriate population under the enabling legislation in its unincorporated areas and its included units of general local governments with which it has entered cooperation agreements; and

**WHEREAS**, Article III, Section 64 of the Texas Constitution authorizes Texas counties to enter into cooperation agreements with local governments for essential Community Development and Housing Assistance activities.

**NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:** That the County and the City do mutually agree as follows:

## **SECTION I**

The City agrees to allow the County to include the City's population for a formula share of entitlement program funds through the Department of Housing and Urban Development's Community Development Block Grant Program, the HOME Investment Partnership Program and Emergency Solutions Grants (ESG) Programs and other funding as may be authorized by HUD and included in the County's Consolidated Plan Strategy. The City and County agree to include the same in the Grant Application.

By executing this agreement the City understands that it may not apply for grants under the Small Cities or State CDBG Programs from appropriations for the same fiscal years during the period in which it is participating in the County's CDBG Program; and it may not participate in a HOME consortium except through the County, regardless of whether the County receives a HOME formula allocation.

## **SECTION II**

The County and the City agree to cooperate and undertake, or assist in the undertaking of community renewal and lower income housing assistance activities, specifically urban renewal and public housing activities pursuant to this Agreement. Such activities include but are not limited to those activities included in the Annual One Year Action Plan contained in the Consolidated Plan Strategy as required under 24 CFR Part 570 and approved by the Department of Housing and Urban Development which is on file at the Urban County Program office and which may be amended in the future.

## **SECTION III**

The City and County agree to take all actions deemed necessary by the county, in its sole discretion, to assure compliance with the Hidalgo County's certification as an urban county required by Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, including Title VI of the Civil Rights Act of 1964, the Fair Housing Act and affirmatively furthering fair housing and comply with section 109 of Title I of the Housing Community Development Act of 1974, which incorporates Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination act of 1975 and/or meet any and all other requirements of the CDBG, HOME, ESG Programs and other applicable laws(e.g. National Environmental Policy Act, Uniform Relocation Act of 1969). Furthermore, the City and County agree to prohibit urban county funding for activities in the City or support any City that does not affirmatively further fair housing within the City's jurisdiction or which actions impedes the County's action to comply with its fair housing certification and civil rights obligations. It is further understood by both parties that noncompliance by the City may constitute noncompliance by the grantee (i.e., the entire urban county) which may provide cause for funding sanctions or other remedial actions by the Department of Housing and Urban Development.

#### **SECTION IV**

The City agrees to give the County authority to carry out activities which will be funded from the annual Consolidated Plan Strategy funding which includes Community Development Block Grant, HOME, and ESG Program funds from Federal **Fiscal Years 2021, 2022, and 2023** appropriations and from any program income generated from the expenditure of such funds, including such additional time as may be required for the expenditure of any such funds granted to the participating unit of local government. The City agrees to inform the County of any income generated by the expenditure of Consolidated Plan Strategy Program funds received by the City. It is expressly understood by City that such program income must be paid to the County unless the City has been authorized by prior written agreement with County to retain such program income and that the City must use such funds only for eligible activities in accordance with all applicable Program guidelines and requirements. It is further understood by City that the County has full responsibility for monitoring and reporting to the Department of Housing and Urban Development on the use of any such program income and that in the event of close-out, City's change of status or the discontinued use of Program funds for approved activities, any program income that is on hand or received subsequent to the close-out or change of status shall be paid to County.

#### **SECTION V**

The County and City have adopted and are enforcing a policy which prohibits the use of excessive force by law enforcement agencies within its jurisdiction against individuals engaged in non-violent civil rights demonstrations; and a policy of enforcing applicable state and local laws against physically barring entrance to or exit from a facility or location which is the subject of non-violent civil rights demonstrations within its jurisdiction.

#### **SECTION VI**

The City agrees to notify the County on a timely basis of any modification or change in the use of any real property acquired with any federal funds from the Urban County Program from any fiscal year from that planned at the time of acquisition or improvement including disposition. The City agrees to reimburse the County in an amount equal to the current fair market value (less any portion thereof attributable to expenditures of non-federal funds) of property acquired or improved with federal funds from the Urban County Program that is sold or transferred for a use which does not qualify under the Program regulations of any program included in the Consolidated Plan Strategy. Provisions will be established by the County for treatment of this cooperation and/or subrecipient agreement between the County and City.

**SECTION XVI**

The execution and performance of this Agreement by COUNTY and the CITY have been duly authorized by all necessary laws, resolutions or corporate action, and this Agreement constitutes the valid and enforceable obligations of the COUNTY and the CITY in accordance with its term. **IN WITNESS WHEREOF**, this agreement has been executed in triplicate originals, each to have the force and effect of an original on the dates set forth herein below.
