[CHAPTER 217](#) VEHICLE TITLES AND REGISTRATION
[SUBCHAPTER H](#) DEPUTIES

RULE §217.161 Purpose and Scope

Pursuant to Transportation Code, §520.0071, a county tax assessor-collector, with the approval of the commissioners court of the county, may appoint deputies to perform designated motor vehicle titling and registration services. This subchapter prescribes the classification types, duties, and obligations of deputies; the type and amount of any bonds that deputies may be required to post; and the fees that deputies may be authorized to charge or retain. A deputy appointed under Transportation Code, §520.0071, on or before December 31, 2016, may continue to perform services authorized under former Transportation Code, §§520.008, 520.009, 520.0091, and 520.0092, as amended by Acts 2011, 82nd Leg., ch. 1296 (H.B. 2357). Beginning January 1, 2017, all deputies must be deputized in accordance with and comply with the provisions of this subchapter.

RULE §217.162 Definitions

The following words and terms, when used in this subchapter, shall have the following meanings unless the context clearly indicates otherwise.

- (1) Board--Board of the Texas Department of Motor Vehicles.
- (2) Commercial fleet buyer--An entity that, in compliance with Transportation Code, §501.0234(b), is deputized under this subchapter, utilizes the dealer title application process developed to provide a method to submit title transactions to the county in which the commercial fleet buyer is a deputy, and has authority to accept an application for registration and application for title transfer that the county tax assessor-collector may accept.
- (3) Dealer deputy--A motor vehicle dealer, as defined by Transportation Code, §503.001(4), including a commercial fleet buyer, who is deputized to process motor vehicle titling and registration transactions, and who may be authorized to provide registration renewal services. Dealer deputy includes an individual, who is not himself or herself appointed as a deputy, employed, hired, or otherwise engaged by the dealer deputy to serve as the deputy's agent in performing motor vehicle titling, registration

or registration renewal services.

(4) Department--Texas Department of Motor Vehicles.

(5) Deputy--A person appointed to serve in an official government capacity to perform, under the provisions of this subchapter, designated motor vehicle titling, registration, and registration renewal services as a deputy assessor-collector. The term "deputy" does not include an employee of a county tax assessor-collector.

(6) Full service deputy--A deputy appointed to accept and process applications for motor vehicle title transfers and initial registrations, and process registration renewals and other transactions related to titling and registration. Full service deputy includes an individual, who is not himself or herself appointed as a deputy, employed, hired, or otherwise engaged by the full service deputy to serve as the deputy's agent in performing motor vehicle titling, registration or registration renewal services.

(7) Limited service deputy--A deputy appointed to accept and process motor vehicle registration renewals. Limited service deputy includes an individual, who is not himself or herself appointed as a deputy, employed, hired, or otherwise engaged by the limited service deputy to serve as the deputy's agent in performing motor vehicle registration renewals.

(8) Person--An individual, business organization, governmental subdivision or agency, or any other legal entity.

RULE §217.164 Limited Service Deputies

(a) A county tax assessor-collector, with the approval of the commissioners court of the county, may deputize a person to act as a limited service deputy. A limited service deputy may only process registration renewals, except as limited by this section, and may not prepare or accept an application for title transfer or initial registration.

(b) A limited service deputy offering registration renewal services to the general public must accept and process any proper application for registration renewal that the county tax assessor-collector would accept and process.

(c) The county tax assessor-collector may impose reasonable obligations or requirements upon a limited service deputy in addition to those set forth in this section. The county tax assessor-collector may, at the time of deputation or upon renewal of deputation, impose specified restrictions or limitations on a limited service deputy's authority to provide registration renewal services.

(d) A limited service deputy may be authorized by the county tax assessor-collector to provide registration renewal services only for the members, officers, employees, affiliates and customers of the deputy, and not to the public generally. If a limited service deputy does not provide services to the general public, the scope of the deputy's authority to provide registration renewal services to itself and its members, officers, employees, affiliates, and customers must be defined by the county tax

assessor-collector as part of the authorization to act as a limited service deputy.

(e) To be eligible to serve as a limited service deputy, a person must be trained to accept and process registration renewals, as approved by the county tax assessor-collector, or otherwise be deemed competent by the county tax assessor-collector to perform such services.

(f) To be eligible to serve as a limited service deputy, a person must post a bond payable to the county tax assessor-collector consistent with §217.167 of this title (relating to Bonding Requirements) with the bond conditioned on the person's proper accounting and remittance of the fees the person collects.

(g) A person applying to be a limited service deputy must complete the application process as specified by the county tax assessor-collector. The application process may include satisfaction of any bonding requirements and completion of any additional required documentation or training of the deputy before the processing of any registration renewals may occur.

(h) If a limited service deputy offers services to the general public, the deputy must provide the physical address at which services will be offered, the mailing address, the phone number, and the hours of service. This information may be published on the department's website and may be published by the county if the county publishes a list of deputy locations.

(i) A limited service deputy shall keep a separate accounting of the fees collected and remitted to the county, and a record of daily receipts.

(j) A limited service deputy may retain fees consistent with the provisions of §217.168 of this title (relating to Deputy Fee Amounts).

RULE §217.167 Bonding Requirements

(a) A deputy appointed under this subchapter shall post a surety bond payable to the county tax assessor-collector.

(b) A deputy is required to post a single bond for a county in which the deputy performs titling, registration, or registration renewal services, regardless of the number of locations in that county from which that deputy may provide these services.

(c) A full service deputy or dealer deputy must post a bond in an amount between \$100,000 and \$5,000,000, as determined by the county tax assessor-collector.

(d) A limited service deputy must post a bond in an amount between \$2,500 and \$1,000,000, as determined by the county tax assessor-collector.

(e) A deputy that is an agency or subdivision of a governmental jurisdiction of the State of Texas is not required to post a bond pursuant to this section, unless the county tax assessor-collector determines that a bond should be required in an amount consistent with subsection (d) of this section.

(a) Fees. A county tax assessor-collector may authorize a deputy to charge or retain the fee amounts prescribed by this section according to the type of deputy and transaction type.

(b) Title transactions. For each motor vehicle title transaction processed:

(1) A full service deputy may charge the customer a fee of up to \$20, as determined by the full service deputy and approved by the tax assessor-collector. The full service deputy retains the entire fee charged to the customer.

(2) A dealer deputy may charge the customer a fee of up to \$10, as determined by the dealer deputy and approved by the tax assessor-collector. The dealer deputy retains the entire fee charged to the customer. This section does not preclude a dealer deputy from charging a documentary fee authorized by Finance Code, §348.006.

(c) Registration and registration renewals. For each registration transaction processed:

(1) A full service deputy may:

(A) retain \$1 from the processing and handling fee established by §217.183 of this title (relating to Fee Amount); and

(B) charge a convenience fee of \$9, except as limited by §217.184 of this title (relating to Exclusions).

(2) A limited service deputy may retain \$1 from the processing and handling fee established by §217.183.

(d) Temporary permit transactions under Transportation Code, §502.094 or §502.095. For each temporary permit transaction processed by a full service deputy, the full service deputy may retain the entire processing and handling fee established by §217.183.

(e) Full service deputy convenience fee. The convenience fee authorized by this section is collected by the full service deputy directly from the customer and is in addition to the processing and handling fee established by §217.183. A full service deputy may not charge any additional fee for a registration or registration renewal transaction.

(f) Related transactions by a full service deputy. The limitations of subsections (b), (c), (d), and (e) of this section do not apply to other services that a full service deputy may perform that are related to titles or registrations, but are not transactions that must be performed through the department's automated vehicle registration and title system. Services that are not transactions performed through the department's automated vehicle registration and title system include, but are not limited to, the additional fees a full service deputy may charge for copying, faxing, or transporting documents required to obtain or correct a motor vehicle title or registration. However, the additional fees that a full service deputy may charge for these other services may be

limited by the terms of the county tax assessor-collector's authorization to act as deputy.

(g) Posting of fees. At each location where a full service deputy provides titling or registration services, the deputy must prominently post a list stating all fees charged for each service related to titling or registration. The fee list must specifically state each service, including the additional fee charged for that service, that is subject to subsections (b), (c), (d), or (e) of this section. The fee list must also state that each service subject to an additional fee under subsection (b), (c), (d), or (e) of this section may be obtained from the county tax assessor-collector without the additional fee. If the full service deputy maintains a website advertising or offering titling or registration services, the deputy must post the fee list described by this subsection on the website.

(h) Additional compensation. The fee amounts set forth in this section do not preclude or limit the ability of a county to provide additional compensation to a deputy out of county funds.
