Good afternoon Ms. Velasquez,

Our office reviewed the proposed interlocal agreement between the County of Hidalgo and the City of Donna, regarding the transfer of surplus property. At this time our office approves as to form of the agreement.

Could you give us status on the new draft ILA between HC and Pct. #1 that Hon. Vina referenced in the email herein? It will need to be attached to the CC agenda today.

Good Afternoon Ms. Salazar,

After review, the ILA provided may not be utilized due to the difference in funding source applicable to the current transfer. David from our office has drafted another version which is more applicable to this type of transfer, and will be sending it on Monday. I have advised him that Yolanda is working on the matter.

Counselors:

As you may recall, there was an agenda several weeks ago placed by Pct. #1. After careful review, I recommended that the item was incorrect and Hon. Josephine concurred as did the County Auditor. I found a very simple and current agenda item approved for the HCSO and the City of Alton that was used as a template to draft the ILA attached. Please review the legal form. Purchasing will also be providing the following supporting documentation on the agenda item itself: asset transfer forms, Request to Surplus the Items by Pct., book value of assets, etc. We await your review and response.
