

Good Morning,

As discussed in the email sent out yesterday afternoon, please see the attached revised calculation.

HHSC is providing notification that the IGT for the September 2020 UHRIP Payment must be entered into TexNet no later than close of business **Friday August 7, 2020** with a **settlement date of August 10, 2020**. These funds will need to be placed in the "**UHRIP**" Bucket. The amount that needs to be entered into TexNet are calculated by SDA in cells C4-C16 of the attached "PGY4 UHRIP Second IGT Amounts_(Updated 7-7-20)" workbook.

To assist stakeholders during the coronavirus (COVID-19) emergency, the Health and Human Service Commission (HHSC) is changing the schedule for intergovernmental transfers (IGT) for the Uniform Hospital Rate Increase Program (UHRIP). Typically, units of government must transfer half of the required funding for the upcoming program year in the previous May. (e.g. For Fiscal Year 2021, transfers are due in May 2020.) Given the current public health emergency, HHSC is allowing units of government to make their IGT commitment in two quarterly payments for the UHRIP program. The first ¼ of IGT was due to HHSC by June 3, 2020 and the second ¼ is due August 10.

If the TexNet is entered online, please provide a screen shot or PDF of the confirmation/trace sheet. If the TexNet is entered over the phone, please provide the confirmation number. Please send an email with this information to RAD_UHRIP_Payments@hhsc.state.tx.us
Please email any questions regarding this change or the calculation in general to RAD-Uhrip@hhsc.state.tx.us.

Thank You,
