C. In addition, Employer will appoint Vera as agent as further described herein.

D. Employer has contracted with Aetna to provide certain claims and healthcare payment administration for Employer’s health plan (the “Employer Health Plan”) and will administer payment under this Agreement for Employer. The party providing such services for the Employer shall be referred to herein as the “Third Party Administrator” or “TPA.” The TPA, Vera and Vera P.C. have entered into an agreement (“Network Provider Agreement”) which describes, among other things, certain services to be provided by Vera and Vera PC. The parties intend that if there are any inconsistencies, ambiguities or conflicts between this Agreement and the Network Provider Agreement or the Employer Health Plan, this Agreement shall control.

The parties agree:

Participants are considered attributed as follows:

- a) Participants will be considered attributed to Vera (an “Attributed Participant”) as of the first of the following month of the Participant’s first office visit delivered either at a Vera care center or delivered via Vera telehealth. For example, if a Participant visits a Vera care center in January for the first time, that Participant is considered attributed to Vera as of February 1.

- b) If a Participant disenrolls from the Employer Health Plan, attribution will end as of the first of the following month. For example, if a Participant disenrolls on January 12th, they are considered unattributed as of February 1st.

Attributed Participant counts will be provided each month to Employer by Vera as further described in Schedule 2 of this Agreement.

1.2 “**Care Center(s)**” means the physical location of any Vera advanced primary healthcare Care Center(s) where the Participants receive the Clinical Services.

1.3 “**Clinical Services**” means the professional medical and healthcare services and related wellness programs provided by Vera P.C. to the Participants as stated in Schedule 1.

Consequently, further subsequent use of the term Services in this Agreement is solely for convenience and nothing by way of use of the collective term Services shall in any manner expressly or impliedly be interpreted to mean that the Clinical Services and Support Services provided by each respective corporation are merged or combined in any functional, legal, financial or operational manner or that Vera provides Clinical Services or engages in the practice of medicine.

1.8 “**Services Commencement Date**” means the date for which the Services are made available to the Participants by Vera and Vera PC.
