NOW THEREFORE, for and in consideration of the terms and provisions set forth herein, for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, County and City hereby agree to the following amendment to the Agreement:

SECTION I

The City agrees to allow the County to include the City's population for a formula share of entitlement program funds through the Department of Housing and Urban Development's Community Development Block Grant Program, the HOME Investment Partnership Program and Emergency Solutions Grants (ESG) Programs and other funding as may be authorized by HUD and included in the County's Consolidated Plan Strategy. The City and County agree to include the same in the Grant Application.

By executing this agreement the City understands that it may not apply for grants under the Small Cities or State CDBG Programs from appropriations for the same fiscal years during the period in which it is participating in the County's CDBG Program; it may not participate in a HOME consortium except through the County, regardless of whether the County receives a HOME formula allocation, and it may not participate in a ESG consortium except through the County, regardless of whether the County receives an ESG formula allocation.

Executed and effective as of the approved Original Cooperation Agreement, on July 7, 2020, before Hidalgo County Commissioner's Court.
