Ms. Munoz,

Our office has reviewed the Agenda Item Brief as to the Stockpile Facility. In reviewing the agenda brief, the expenditure may be eligible as a Public Health expense as well as necessary and reasonable expense related to County operations in mitigating the public health emergency.

As such, the Commissioners Court is within their authority to exercise reasonable judgment in determining that such expenditure is reasonable and necessary for its intended use.

Please let me know if you have any additional questions or concerns.

Respectfully,

Victor M. Garza
