Psychological Services

Dear Chief Denner:

This is to formally notify you of my decision to terminate contractual services under the above-referenced contract effective 30 days from date of this notice. I have suspended psychological services involving face-to-face encounters as a result of the ongoing Covid-19 pandemic for the past several months. Additionally, I am retiring from my practice in Psychology by end of this year or earlier. Termination of my contract with Hidalgo County Juvenile Probation at this time will hopefully allow your department to make any necessary arrangements to ensure that you have sufficient providers of psychological services for the remainder of this year and going forward.

I appreciate having been of service to Hidalgo County Juvenile Probation Department for the past many years and wish you and your department well.

Thank you.
