Good morning Nick,

I was reviewing the letters for the refunds and I noticed that both of them are partial refunds because permits were used, I will need new letters stating the right amounts. The letter for Rolando Badillo should be for \$50.00 because he used the permit during 6 months, and the letter for Elisa Trevino should be for \$75.00 because this permit was used during one month. In addition I will need for you to provide the voided receipts for both requests along with the Sanitation Permits. I was able to see that the receipt for Rolando Badillo was voided in the system, however I cannot find the voided receipt for Elisa Trevino, please void the receipt and let me know when you do so.

If you have any questions please email me.

Thank you,

Rocio Quiroga
