## **GameTime Playgrounds GRANT Letter of Extension**

Dear Commissioner:

GameTime is happy to offer an extension to the attached grant.

In order to meet the maximum time limits allowed for the awarded grant, the County must ORDER and PAY FOR the quoted items before November 15<sup>th</sup>, 2020 (if paying with a County issued P.O.) or if paying with check at time of order, the dead line shall be November 30<sup>th</sup>.

These deadlines are in place not only to coincide with the stated rules of the grant but also to allow GameTime enough production time to manufacture the equipment and make sure it is shipped to the County before December 30, 2020.

Thank you very much,

Todd Miller
