

**TEXAS MEDICAID & HEALTHCARE PARTNERSHIP
A STATE MEDICAID CONTRACTOR**

Dear HIDALGO COUNTY HEALTH DEPT:

You must submit a revalidation application for Texas Provider Identifier (TPI) 139350615 by 2/8/2021.

You should revalidate your enrollment as soon as possible.

You can revalidate your enrollment up to 90 days before the deadline. Revalidation requirements will vary by provider type and situation. You might be required to provide fingerprints, submit additional documentation, or take part in other screening activities.

Look up instructions for online revalidation.

Some providers can't revalidate online. If you aren't allowed to revalidate online, download the appropriate paper enrollment applications and mail them to us.

Review your information before you submit your application.

We can't process your revalidation application until we have your updated information. Visit to the Provider Information Management System (PIMS) to review and submit updates to your Demographics and Enrollment Information.

Changes to your information can take up to 30 days to process.

You must complete the revalidation process by the deadline.

If we approve your revalidation application, you will get a letter in the mail and a new Revalidation Date will appear on PIMS. You can check your enrollment status any time on PIMS.

If you don't complete the revalidation process by the deadline, you will be disenrolled from all Texas state healthcare programs and your claims and prior authorization requests will be denied. You will have to submit a re-enrollment application, and you won't be able to submit claims or prior authorization requests during the re-enrollment process.
