Approved Repair Estimate Total \$13,870.94 Difference \$269.67

Part/Operation Description	Reduction Amount	Comments
Rear Bumper		\$19.50 Full R&I of rear bumper is unnecessary, dropping rear bumper on left side would have been more efficient and given the access needed for proper repairs. Deducted .5 hr
Left Quarter Panel		\$42.89 Only allowing partial paint on left quarter panel since less than half of its area was damaged. Blending w/in panel would be an adequate and efficient repair. Reduced .6 hr
Front Bumper		\$71.48 Only allowing partial paint on front bumper since less than half of its area was damaged. Blending w/in panel would be an adequate and efficient repair. Reduced 1 hr
Clear Coat		\$135.80 Per estimate total clear coat time is 4.4 hr. Per motor guide 2.5 is adequate for vehicle. Deducting 1.9 hr.
