Good Afternoon Ms. Velasquez,

Our office has reviewed the attached Scope of Work that is to be included with the priorly executed purchase agreement between the County of Hidalgo and NetSmart. At this time our office approves as to form.

Thanks,

Hello Mr. Cantu,

Can you review the NetSmart Scope of Work and advise if we can proceed with the signature process. Two (2) Agenda's were done for CARES Act purchases in June and September. Now we just want to verify if we can proceed with signature process.

Yolanda

Good morning Mrs. Yoli,

The attached Scope of Work was supposed to be included with the initial CC approval/purchase of NetSmart for the Health Department, but the vendor didn't provide this document until after the fact. The purchase orders for the initial purchase (work on by Mrs. Elena) and the additional features (amendment you worked on) have already been released; however the vendor has requested this SOW to be signed.

Following this e-mail, I'll forward an e-mail I received from the Health Department yesterday stating they've reviewed and approved the specifications of this project.

I'm at an appointment this morning, but once I'm able to, I'll issue you a project number for this SOW.

Should you have any questions, I'll be available via text.

Good Morning Betsy,

Please see attached Scope of Work for the Medical Records Project. It might have to be reviewed by Legal before it is placed on CC for approval.

Respectfully,

Good Morning Hector,

Who is authorized to sign this contract?

Josie

Josie,

The attached "Scope of Work" was supposed to be added to our NetSmart Contract. There is no financial impact to the contract as it is a document that explains the scope of work that is to be performed by both parties. It requires a signature. Can you please have this forwarded to the necessary party (parties) to get this signed?

Thanks,
Rigo
