Ms. Heidi-

Commissioner Torres approves!

Please proceed to place on next week's CC agenda to "Cease" the negotiations process with the #1 ranked (Celso Construction) and request authority to proceed negotiations with the #2 ranked NM Contractors, LLC for the Mechanic Shop at Precinct 4.

Let me know if you have any questions.

Respectfully,  
Letty

Good morning Carlos:

We will have to wait until next week. I will prepare an agenda to cease negotiations with the number one ranked firm and approval to begin negotiations with the number two ranked firm. I will check with the precinct on how they wish to handle the issue with Mr. Gonzalez. Let me know if you have any questions.

Thank you,  
Heidi

Hi Heidi...I was out of the office on Friday afternoon. Here are the responses to your questions:

1. Celso Gonzalez Construction has not been informed. I figure this had to come "officially" from purchasing.
2. Can we begin informal negotiations with NM Contracting? Please advise.

Thank you.

Hi Carlos:

Will you provide a status on the above-referenced project, please? Letty mentioned that you wanted to cease negotiations with Celso Gonzalez, Inc. and begin negotiations with the number two ranked firm of NM Contracting. If so, I need to prepare an agenda ceasing negotiations with Mr. Gonzalez (was he already informed?) and approval to begin negotiations with NM Contracting. The agenda cutoff is officially 3:00 p.m., however, if I receive the information within the next hour I can prepare the agenda and submit it before 4:00, otherwise, we will have to wait until the agenda of the 10th. Please advise.

Thank you,

Heidi
