Re: FM 2812 – Hidalgo County Head Start Program Parking Lot Improvements
RFB No. 2020-608-11-18-ABV

Dear Mr. Guerra;

Bids were received and opened for the FM 2812 – Hidalgo County Head Start Program Parking Lot Improvements Project on November 18, 2020. A total of two (2) bids were received with MJA Construction, LLC being the low bidder for the options being considered for award. The second bidder, RDH Site & Concrete, LLC was disqualified due to using the wrong bit tab form. Attached is a copy of the bid comparison for your review.

The project includes construction of a parking lot and installed a storm sewer outfall to collect runoff as a result of the improvements. The parking lot consists of 37 stalls, while the storm sewer system will be extended to serve as a bleeder to an existing retention pond and outfall into an existing storm system. Moreover, the project includes a construction of an enclosed concrete dumpster pad and relocation of a chain-link fence with gates.

We recommend awarding the project to MJA Construction, LLC with a Base Bid of \$123,987.52.

If you have any questions or require further information, please feel free to contact us at your convenience.

Respectfully,
HIDALGO COUNTY DRAINAGE DISTRICT No. 1

Omar Cano, PE, CFM
Engineer III

OC/ndc
