ADMINISTRATION

As a critical countermeasure and to strengthen our preparedness and response capacity for Hidalgo County Sheriff’s Office approval of the item is consistent with Hidalgo County’s intended purpose to mitigate the spread of COVID–19. This equipment would allow the transportation of pallets that would include stockpile emergency supplies. Supplies would include: lifesaving medical supplies, personal protective equipment such as gloves, protective gowns, disposable coveralls, disinfectant spray, hand sanitizer, N95 masks, oxygen tubing, syringes, temporarily house antibiotics, influenza vaccines, testing supplies, and support devices for lifesaving care.
