

CDCAT President's Welcome

Welcome to the County and District Clerks' Association of Texas official website.

As we journey into the 2020-2021 year, we should reflect on the events of the past year with an appreciation for our ability to overcome the many new obstacles, challenges, and changes in our offices. We have navigated new waters and learned new ways of performing our tasks while adjusting to a new norm.

Our theme for this year is "Preserving the Past, Embracing the Future." My vision for accomplishing this is to identify what we have learned from our past while clarifying positive goals and changes for the future. While each of us has different ideas for our offices, we all have the same goals for preserving the history of our counties and utilizing new ideas and technology for the future. As we embrace new technologies that allow us to collaborate with each other in making good decisions for our offices, let us also use and share our past experiences to meet these challenges.

As the new board identifies and works towards our new goals, I invite you to share your ideas and thoughts along the way. CDCAT is the perfect resource for seasoned, as well as new clerks, and my hope is that you will personally discover how CDCAT benefits you and your office.

I am excited about the direction in which we are headed, and I look forward to working with each of you.

Let's step boldly into our new year!

Stacey Kemp
CDCAT President 2020-2021
Collin County Clerk
