BIDDER	BID FORM ANALYSIS	PART C - POST INSTALLATION SERVICE	PART D - EXPERIENCE & PROJECT TEAM	OTHER
Huntington Sky Productions LTD dba Fastsigns	Incomplete - For Part B Unit Prices they indicated that the dimensional letters or dimensional courtroom number would be "dependent on Size/Style & characters" rather than provide a hard cost.	Industry Standard	Did not provide a list of projects that Fastsigns/161 has completed. Due to not providing a past project list, unable to determine if this bidder is capable of managing a project of this size.	
GraphTec	Complete	Industry Standard	Impressive project team listing. Their list of projects shows they are capable of managing a project of this size.	
Pointsmith	Incomplete - Did not submit bid on proper, provided bid form.	Industry Standard	Per the list of projects/clients, they are of retail brands. They do not showcase the skill set for the project needs.	Provided pricing is shockingly low. Raises questions like "what did they forget?" or "will they submit a lot of change orders in order to get up to where the price should be?"
