

AIA Document G802™ – 2017

Amendment to the Professional Services Agreement

PROJECT: *(name and address)*
Testing/Bio-Safety Laboratory Facility
Edinburg, TX 78542

AGREEMENT INFORMATION:
Date: June 9, 2020

AMENDMENT INFORMATION:
Amendment Number: 001
Date: December 22, 2020

OWNER: *(name and address)*
County of Hidalgo
100 E. Cano
Edinburg, TX 78539

ARCHITECT: *(name and address)*
goERO International, LLC d/b/a ERO
300 S. 8th Street
McAllen, TX 78501

The Owner and Architect amend the Agreement as follows:

- a. Revised Program of Spaces for the Project
- b. Analysis of the Owner's Budget for the Cost of Work
- c. Analysis of the Owner's Design/Construction Schedule
- d. Presentation of analysis and findings, approval of any material changes to scope, budget, and schedule.
- e. Standard Operating Procedure (SOP) from Superior Labs for a BSL-2 and a BSL-2+ to Laboratory to aid in the revised programmatic design as requested by the Health Department. This effort will include the fundamental document generation and will be provided in an electronic format to the County. Purpose of the SOP is to aid in attaining laboratory certification and as a reference manual for day-to-day laboratory activities.

The Architect's compensation and schedule shall be adjusted as follows:

Compensation Adjustment:

The cost for the revised program of spaces, budget for the cost of work analysis, schedule development, and SOP is \$17,450.00.

Schedule Adjustment:
