Erika,

This email serves as verification that the pricing for the attached estimate is in line with the vendor’s award under TIPS contract #200201.

If you decide to proceed with this purchase, please issue PO (made out to the awarded vendor) and email to tipspo@tips-usa.com.

Please be sure to always reference “TIPS” and the vendor’s contract # on the PO. Attach PO and quote as a PDF document. You will receive an “official” confirmation letter when we process the PO to the vendor.

Thank you,

Good Afternoon,

You are seeking compliance verification for the attached proposals. It is of course always the duty of the Member to determine whether the applicable contract complies with the Member's specific jurisdictional requirements. However, upon receipt and processing of the Member's purchase order ("PO"), TIPS will confirm that the attached quote is within the parameters of the vendor's awarded contract.

Please see the attached checklist whenever utilizing a JOC Contract with a cooperative.

8A Builders LLC bid a coefficient to the Unit Cost book RS Means available [HERE](#) for the award of the contract that they hold; 200201 Trades, Labor, and Materials, and will need to provide you with a copy of their RS Means line item estimate to be able to verify that their pricing is in accordance with the contract.

In the event that additional vendor/contract information is required, please visit www.tips-usa.com. Please note that if you elect to proceed with this purchase, you must submit a purchase order ("PO") which identifies the awarded vendor and TIPS Contract Number, with the applicable quote, to tipspo@tips-usa.com. Upon receipt and processing of the PO and quote, a TIPS confirmation letter will be issued to you.

Please note that failure to report TIPS purchases could result in breach/termination of the contract and prevents the Member from achieving a compliant purchase under Texas law.

Thank You,
