## **Narrative Information**

### **Introduction**

The purpose of this program is to provide services and assistance directly to victims of crime to speed their recovery and aid them through the criminal justice process. Services may include the following:

- responding to the emotional and physical needs of crime victims;
- assisting victims in stabilizing their lives after a victimization;
- assisting victims to understand and participate in the criminal justice system; and
- providing victims with safety and security.

The funding announcement, located on the [eGrants Calendar](#) page, describes the organization types, activities, and costs that are eligible under the announcement. The PSO's [eGrants User Guide to Creating an Application](#) guides applicants through the process of creating and submitting an application in eGrants. Information and guidance related to the management and use of grant funds can be found in the The PSO's Guide to Grants, located on the [PSO Resource for Applicants and Grantees webpage](#).

### **Program-Specific Questions**

#### **Culturally Competent Victim Restoration**

Victim service providers must have the ability to blend cultural knowledge and sensitivity with victim restoration skills for a more effective and culturally appropriate recovery process. Cultural competency occurs when: (1) cultural knowledge, awareness and sensitivity are integrated into action and policy; (2) the service is relevant to the needs of the community and provided by trained staff, board members, and management; and (3) an advocate or organization recognizes each client is different with different needs, feelings, ideas and barriers.

Provide information in this section regarding how your organization is culturally competent when providing services to victims.

The Hidalgo County District Attorney's office Domestic Violence Unit provides victim's assistance to all victims of crime in Hidalgo County and prosecutes domestic violence cases. Victim Advocates and Attorneys that work with the Victim Unit integrate cultural knowledge, acceptance, and sensitivity to accomplish effective advocacy. The Victims Unit staff acknowledges that every victim has different needs, ideas and barriers that require diverse services. Victim Advocates provide a network of support services in addition to the guidance to ensure that victims understand the criminal justice process. All of the Victims Unit staff is bilingual in Spanish and English and we have developed a LEP Policy that ensures that victim that need assistance in another language have access to culturally specific services. The Victim advocates and attorneys are part of the of the Hidalgo County Family Violence Task Force, Rio Grande Valley Anti Human Trafficking Taskforce and the Hidalgo County Crime Victim Liaisons Unit and work collaboratively with all the community based programs that service victims in our region to ensure that all the needs of victims are met. Staff is required to take the Culture Competency Training every year. We currently use the online webinar provided by the Office of Victims of Crime "Culture, Diversity, and Incivility". This training addresses cultural barriers such as stereotyping, value differences, communication styles, and language and interpreter bias, and prepares victim advocates to provide effective service delivery within diverse communities and to recognize and value the diversity of their clients who are victims of crime. In addition, every conference that victim advocates attend has to be victim centered and they include a Culture Competency track.

### **Culturally Specific and Underserved Populations**

Following are relevant definitions needed to answer this question.

- Underserved populations means populations who face barriers in accessing and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, populations underserved because of special needs (such as language barriers, disabilities, alienage status, or age), and any other population determined to be underserved by the Attorney General or by the Secretary of Health and Human Services, as appropriate.
- Culturally specific means the program is primarily directed toward racial and ethnic minority groups (as defined in section 1707(g) of the Public Health Service Act (42 U.S.C. 300u-6(g))).
- Racial and ethnic minority group means American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.
- Hispanic means individuals whose origin is Mexican, Puerto Rican, Cuban, Central or South American, or any other Spanish-speaking country.

Does your program have a primary focus on serving a culturally specific population? (The organization must do more than merely provide services to an underserved population or culturally specific group; rather, the organization's primary focus must be on providing culturally competent services designed to meet the specific needs of the target population in order to justify a YES response in the section below.)

Yes

No

If you answered '**YES**' above, you must explain in the box below how your organization's program is specifically designed to focus on and meet the needs of culturally specific populations. If this item does not apply enter '**N/A**'.

### **Project Abstract :**

This project will fulfill the requirement of the Hidalgo County Criminal District Attorney's Office to designate a Victim Assistance Coordinator or Victim Advocate in accordance with Article 56.05(c) of the Texas Code of Criminal Procedure to perform duties imposed by Chapter 56: Rights of Crime Victims. The Victim Advocate positions that will be created with this funding will have the duty to ensure victims are afforded their victim's rights during the prosecution process. The Victim Advocates will assist victims in the notification process and give to the victim notice of any scheduled court proceedings, changes in that schedule, the filing of a request for continuance of a trial setting, and any plea agreements to be presented to the court. The victim advocates will provide services to victims in the Felony, Misdemeanor, Civil, and Juvenile Divisions. The Legal Counsel Attorney will assist victims in filing for protective orders and providing additional legal counsel on family law for information on divorce, child custody, child support, emergency protective orders, and immigration relief for undocumented victims of crime.

### **Problem Statement :**

It is the duty of the Hidalgo County District Attorney's Office to designate a Victim Assistance Coordinator or Victim Advocates that will provide victim services to victims of crime in Hidalgo County. The Victims Unit staff

is fulfilling the requirement of the TAC and in turn addressing the gap of victim services for victims in the criminal justice process. The HCDA Victims Unit has served a total of 19,213 victims of crime from April of 2015- January of 2019. Our office continues to see an increase in victims requesting victim assistance during the prosecution process and for protective orders. Victims of crime require on-going support throughout the entire criminal justice process and referrals for post sentence services. There is a lack of victim services in system based programs and this creates a wide gap of services available to victims of crime in the onset of the crime. Many victims do NOT receive the much needed services to help them cope and deal with the victimization. The Victims Unit staff is fulfilling the requirement of the TAC and in turn addressing the gap of victim services for victims in the criminal justice process. The HCDA will continue to work with local law enforcement agencies and victims to address the trauma and problems encountered by victims of violent crime (e.g., sexual assault-rape, survivors of homicide, robbery, human trafficking, DUI/DWI, child abuse, domestic violence, assault and witnesses of violent crime etc.) located in and around Hidalgo County. In addition, this grant will provide training to law enforcement officers, criminal justice professionals, and victim advocates to address the lack of training in our region.

### **Supporting Data :**

The Hidalgo County Criminal District Attorney's Office Victims Unit has served a total of 36,297 victims of crime from April of 2015- November 2020. The program staff assigned to this project served a total of 2038 victims of crime and provided protective order assistance to 533 victims from January to December of 2019. In addition, from January to November of 2020 the program staff assigned to this grant provided victim assistance to 2853 victims of crime and provided protective order assistance to 867 victims. This constitutes an increase of 28 % increase in victim services and a 38% increase in assistance with protective orders. The COVID-19 pandemic has caused an increase in domestic violence incidents and this has created an increase in requests for victim services.

### **Project Approach & Activities:**

This program is addressing the needs identified by the local COG- the Lower Rio Grande Valley Development Council (LRGVDC) Regional Criminal Justice Strategic Plan: The need to build the local agencies' capacity to assist victims of violent crime; The need to support programs that provide direct and or referral services, including treatment to victims of violent crimes; The need to advocate for effective outreach education, to services communities in the region; The need to strengthen the working relationship between law enforcement, assistance centers, and other agencies that provides services to victims of crime; The need to advocate the establishment of programs that educates the community about human trafficking, domestic violence, sexual assault and cybercrime; The need to provide training for law enforcement and other agencies that address issues as a result of crime or drug abuse. The Hidalgo County District Attorney's Office used the guide issued by the Texas Department of Criminal Justice Division "CRIME VICTIM ASSISTANCE STANDARDS" developed and distributed by the Texas Crime Victim Clearinghouse in accordance with Article 56.05(c) of the Texas Code of Criminal Procedure to aid Law Enforcement Officers and Attorneys Representing the State of Texas in performing duties imposed by Chapter 56. Rights of Crime Victims.

### **Capacity & Capabilities:**

The Hidalgo County Criminal District Attorney Office represents the state of Texas government in the prosecution of criminal offenses in the County of Hidalgo. The grant is administered by the D.A.'s Office and all required reports and justification for the grant are provided on a yearly basis. In addition, the D.A.'s office runs the Victims Unit and oversees that the grant monies are adequately expended. The D.A.'s office also works closely with the County Auditor's Office to ensure the proper use of grant funds and to budget accordingly. The Court Advocates will have 2 years in victim assistance experience and attend required training and certification in victim services for system based advocates The goals of the Hidalgo County District Attorney's Office-Victims Unit are: 1) to protect victims' rights during the prosecution process 2) to reduce the trauma of victims of crime and ensure that their safety and is a priority 3)to provide victims with notification of court proceedings and ensure that their victim's voice is heard and considered during the prosecution process 4) to comply with the duties imposed to the attorneys representing the state by the Texas Administrative Code of Procedure: Chapter 56- Victims Rights5) to serve justice.

### **Performance Management :**

The overall goal of this project is to reduce trauma and problems encountered by victims of violent crimes during the prosecution process. This will be achieved by providing victim assistance using a victim-centered multi-disciplinary team approach. The Attorney and Victim Advocates will assist victims in obtaining 100

protective orders to increase the safety of family violence, sexual assault, child abuse, stalking and human trafficking victims. In addition, the will assist 200 victims with legal counsel and provide them with victims' rights information and legal options. 500 victims will receive crisis counseling services and 50 will receive court accompaniment. The Victim Advocates will provide victim assistance to 800 victims of crime to include: crisis intervention, explanation of victims' rights and criminal justice process, court accompaniment, crime victim compensation, restitution, immigration relief options, safety planning, assistance to register for VINE and to submit a victim impact statement. Victims will receive notification of indictments and court hearings. The program success will be measured by providing every victim that we serve with a Service Evaluation. The service evaluation will be in Spanish and English and will measure how effective our services were rendered to the victim. This will ensure that the information being provided is effective and addressing the needs of the victim. In addition, we will use VS Tracking data system to have accurate data collection and track the number of victim services being provided. This will allow us to determine what type of service is being requested most frequently and we can make sure that the program addresses those needs.

### **Target Group :**

The target group will be Victims that reside in Hidalgo County population of 842,304 as of the last Census. Hidalgo County has a 91.3% of Hispanic Population, Female Population in Hidalgo County is 51.2%. We will serve victims of crime, all age groups 0-99 years of age, Spanish speaking victims, undocumented victims of crime, and Female & Male victims.

### **Evidence-Based Practices:**

The Hidalgo County District Attorney's Office implemented the Victims Unit in an effort to comply with Article 56.05(c) of the Texas Code of Criminal Procedure that states the Attorney representing the state has the duty to ensure that victims are afforded their rights. The office of the attorney representing the state has the duty to ensure to the extent practicable that a victim, guardian of a victim, or close relative of a deceased victim is afforded the rights granted by Subsection (a) of the CCP, Chapter 56. Subchapter A. Art. 56.02 And 56.021, and upon request, an explanation of those rights. Art. 56.02(c) If the offense is a capital felony, the victim has the right to receive by mail from the court a written explanation of defense-initiated victim outreach if the court has authorized expenditures for a defense-initiated victim outreach specialist. The victim has the right to not be contacted by the victim advocate unless the victim, guardian, or relative has consented to the contact by providing a written notice to the court. The victim may designate a victim service provider to receive all communications from a victim outreach specialist acting on behalf of any person. Art. 56.02(a) (16) (A-C) The Hidalgo County District Attorney's Office used the guide issued by the Texas Department of Criminal Justice Division "CRIME VICTIM ASSISTANCE STANDARDS" developed and distributed by the Texas Crime Victim Clearinghouse in accordance with Article 56.05(c) of the Texas Code of Criminal Procedure to aid Law Enforcement Officers and Attorneys Representing the State of Texas in performing duties imposed by Chapter 56.
