Hi Rick,

I hope you are well. Apologies for not following up with our BRIC funding sooner, but we have had several conversations with NACDD by this point and have a much better idea of what this project will look like moving forward.

Would you and your team be available for a call to discuss the strategies you'd like to implement as part of your workplan? I'd like to look towards sometime next week, if possible. As a reminder, I've attached the strategy areas we need to work in (page 4 and 5) and the workplan template. I can review both of these on our call. Additionally, we are looking to provide Hidalgo County with \$50,000 to fund this work. This is more than the initial \$30,000 we talked about, so please let me know if you see any barriers to spending down these funds during the project timeframe.

Our offices are closed on Monday, but please let me know which other days/ times would work for you all to meet. We are looking forward to getting this project off the ground!

Best,
