Hidalgo County P2

Wood waste/ Wood debris reduction

Job Consists of:

Organizing, loading and grinding of wood waste gathered by Hidalgo County P2 staff. Job will be performed at any site chosen by P2 within precinct. BlueCat will provide 755hp Horizontal Grinder, Grapple/Thumb Excavator and Wheel loader. BlueCat will include all necessary operators and daily maintenance for units. Debris piles will be managed, ground up and loaded into county containers, trucks or spread on site (Customer's decision). Quote includes transportation of equipment to and from 1 location (additional transportation fees would be added for each relocation). Cost does not include any type of permits or special coordination with any other governing office.

***Horizontal Grinder rental rate always includes operator.**

County provides fuel rate:

*Units will arrive full. County provides topping off on a daily basis and fills up at end of job.

**Monthly rate with loader and grapple excavator operators
(4weeks/5 day weeks/8 hour days) \$59,700.00**
