Good afternoon:

No, the contract was never placed on CC. I prepared the document, had it reviewed by legal, however, the precinct asked to hold off on CC placement. They are now ready to proceed. The pool does not expire until March 25, 2021.

Thank you,
Heidi

Good Afternoon Ms. Ortiz,
Was a contract for services with Chanin Engineering approved on October 27, 2020? If so, was it subject to legal approval? Also, when did the applicable engineering pool expire?

I recommend the following modifications to the professional services agreement C-20-596-10-27 with Channing Engineers.

1. Add the following line to No. 1:

This Contract does not extend to any third parties any duties or benefits conferred in any manner hereunder or otherwise.

Please send us the entire packet for final approval once you obtain all the necessary items. Please let us know if you have any questions.

Attached you will find the contract in word format for the above-referenced project for your review and approval. The precinct is requesting this item be on the October 27th agenda. I am currently awaiting the rest of the contract documents, however, I didn't want to send it at the last minute. Once I receive the documents, I will put the contract together and send it to whichever ADA is working on it. Please let me know if you have any questions, or if I can be of assistance.

Sincerely,
Heidi
