For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower, Lender and Contractor agree as follows:

1. Purpose and Limitation of Advances.

(a) Subject to the provisions of this Agreement, and in compliance with Subchapter K, Chapter 53, Texas Property Code, Lender will advance funds to Contractor for the benefit of Borrower in the aggregate amount of the Note. Provided Contractor has obtained the performance bond required in Paragraph 1 (b) of this Agreement, Lender will advance the Amount Available for Construction during the course of the construction of the Improvements, in accordance with this Agreement. The Amount Available for Construction will be advanced solely to pay Contractor for costs of labor performed and materials furnished by Contractor pursuant to the Contract.

(b) Contractor may furnish a performance bond ("Bond"), at Contractor's sole cost and expense, to be kept in force throughout the period of this Agreement, in an amount equal to the Amount Available for Construction. The Bond shall: (i) cover Contractor's faithful performance of the Contract, free of liens upon the Property; (ii) name as obligees both Borrower and Lender, jointly and severally; (iii) be written by surety companies qualified to do business in the State of Texas; and (iv) be in such form and with such sureties as the Lender may approve.

(c) Construction advances are to be made by Lender to Borrower for work done.

(d) If Contractor has provided Lender and Borrower the Bond permitted by this Agreement, Contractor may submit a request for 40% of the Amount Available for Construction ("Initial Advance") when 50% of the work related to the Improvements have been completed and Contractor and Borrower have complied with the provisions of Paragraph 3 of this Agreement. A second request for construction advance for 50% of the Amount Available for Construction ("Final Advance") may be submitted when the Improvements have been completed and accepted by Borrower and Lender and Contractor and Borrower have complied with the provisions of Paragraph 4 of this Agreement.

(e) If Contractor has not provided Lender and Borrower the Bond permitted by this Agreement, Contractor may submit a request for 90% of the Amount Available for Construction when the Improvements have been completed and accepted by Borrower and Lender, and Contractor and Borrower have complied with the provisions of Paragraph 4 (except as to the Bond) of this Agreement.

(f) All requests for construction advances shall comply with Subchapter K, Chapter 53, Texas Property Code, and be made on forms approved by Lender. Each construction advance shall be in an amount equal to the Amount Available for Construction times the applicable percentage as determined by Lender and/or its inspectors. Lender may prepare a chart for determining the percentage of completion and the schedule of advances to be made by Lender, and Lender may limit advances according to the schedule based on the percentage of the Improvements that are complete at the time of any request for construction advance.

(g) Whenever in the sole opinion of Lender the cost of completing the Improvements pursuant to the plans and specifications approved by Lender exceeds the total amount of unadvanced loan proceeds, Borrower, at Lender's request, shall pay such excess to the satisfaction of Lender prior to any further advances under the Note.

2. Lender's Payments on Behalf of Borrower. Lender shall make payments for the cost of construction of the Improvements by check payable to the Owner and Contractor, or to Contractor, and in Lender's discretion, following Contractor's default under this Agreement or the Contract, jointly to Contractor and Contractor's subcontractors or suppliers.

3. Conditions to Initial Advance. Lender shall have no obligation to make the Initial Advance of funds to Borrower unless and until Contractor has furnished Borrower and Lender the Bond permitted by this Contract, and the following conditions have been satisfied:

(a) Borrower has executed and delivered to Lender this Agreement, the Contract, the Note, the Deed of Trust, the Owner-Occupied Rehabilitation Loan Program Contract of even date herewith by and between Borrower and Lender, and Affidavit of Commencement and other documents securing the loan evidenced by the Note; and Contractor has executed and delivered to Lender this Agreement, the Contract, an Affidavit of Commencement and other documents securing the loan evidenced by the Note;

(d) Contractor has provided Lender a copy of the final plans and specifications for the construction of the Improvements acceptable to Lender, along with a timetable and budget for completion of the Improvements as required by this Agreement and the Contractor's accepted bid;

(e) Contractor has provided Lender a copy of the building permit for the Improvements;

(f) Contractor has provided Borrower and Lender a list of all subcontractors used or to be used for completion of the Improvements, and executed partial releases and lien waivers from Contractor and any subcontractors and suppliers who performed work and/or materials at any time in connection with the Improvements, in a form acceptable to Lender, for all amounts to be disbursed to Contractor against the Amount Available for Construction;

(g) Contractor has provided Lender a copy of all insurance policies, which Contractor is required to maintain under the Contract, or in lieu thereof, a certificate of insurance which confirms Contractor has obtained all insurance required under the Contract;

(h) Contractor has provided Lender evidence that Contractor is in compliance with Chapter 416, Texas Property Code; and

(i) Borrower and Contractor have provided Lender such other items as Lender shall reasonably require.

4. Final Advance. The Final Advance (except for retainage, which will be disbursed in accordance with paragraph 5) shall be disbursed at the completion of the Improvements when Contractor has delivered to Lender all documents required under Paragraph 3 and the following:

(a) an affidavit of completion executed by Borrower and Contractor (the "Affidavit of Completion"), a final bills- paid affidavit executed by Contractor (the "Final Bills-Paid Affidavit"), and final waivers of lien and releases executed by Contractor and any subcontractors and suppliers who performed work and/or materials at any time in connection with the Improvements (collectively, the "Releases"), which documents comply with Subchapter K, Chapter 53, Texas Property Code and are acceptable to Lender, together with supporting evidence that: (i) the construction work for the Improvements has been fully completed; and (ii) all bills for labor and material have been paid in full;

(b) Evidence that Borrower and Contractor have complied with all applicable laws pertaining to the location, development, and construction of the Improvements and that all governmental authorities having jurisdiction have approved: (i) the location, development, and construction of the Improvements to the Property; and (ii) all other matters requiring approval by governmental authorities; and

(c) Borrower and Contractor have provided such other items as Lender shall reasonably require.

5. Disbursement of Retainage. The retainage will not be disbursed until: (i) (a) the Releases have been filed in the Real Property Records of Hidalgo County, Texas, (b) the deadline to file an affidavit claiming a lien against the Property in connection with the Improvements (that is, the fifteenth (15th) day of the third calendar month after the day the indebtedness accrues) has expired and no such affidavits have been filed, or (c) if any affidavits claiming a lien against the Property in connection with the Improvements have been filed, the claims set forth in such affidavits have been resolved and the affidavits have been released of record; (iii) the Affidavit of Completion and the Final Bills-Paid Affidavit have been filed in the Real Property Records of Hidalgo County, Texas; and (iv) Borrower and Contractor have complied with Paragraph 4 of this Agreement.

6. Inspections. Lender shall be entitled to: (i) use its own personnel; or (ii) to designate an architect, engineer or other third party; to make any inspections or certifications required by Lender, and Lender shall not be required to make any loan advance until Lender has received inspections and certifications satisfactory to it. Prior to each loan advance, and at such other times as Lender may require, either Borrower or Contractor will be required to call for a physical inspection by Lender or other party designated by Lender.

7. Borrower's and Contractor's Additional Obligations. Borrower and Contractor further agree that:

(a) The Improvements will be constructed and fully equipped in a good and workmanlike manner with materials of high quality, using all new materials, strictly in accordance with the plans and specifications approved by Lender, and that the Improvements will comply with: (i) all applicable Housing Quality Standards contained in 24 Code of Federal Regulations, as amended, if the Property is located outside the jurisdiction of a municipality; or (ii) all applicable local building codes and ordinances of the municipality if the Property is located within the jurisdiction of a municipality, unless the municipality has no local building

codes and ordinances, in which event Owner shall comply with all applicable Housing Quality Standards contained in 24 Code of Federal Regulations, as amended;

(b) No changes will be made in the plans and specifications submitted to Lender except on the written approval of the same by Lender;

(c) No extras shall be allowed to any contractor or subcontractor or any change made in any contract or subcontract without the Lender's prior written approval and consent;

(d) Contractor will promptly furnish Lender, at Lender's request, after execution thereof, executed copies of all contracts between Contractor and subcontractors, and of all contracts between Contractor and its suppliers, as well as contracts between subcontractors and their suppliers;

(e) Borrower and Contractor will cooperate with Lender in arranging for inspections by representatives of Lender of the progress of construction from time to time and will promptly comply with Lender's requirements or satisfy any objections regarding construction of the Improvements or the progress thereof;

(f) Borrower and Contractor will not suffer or permit any mechanics' or materialmen's lien claims to be filed or otherwise asserted against the Property and will promptly discharge the same in case of the filing of any claims for lien or proceedings for the enforcement thereof; provided, however, that Borrower shall have the right to contest in good faith and with reasonable diligence the validity of any such lien or claim on furnishing to Lender such security or indemnity as it may require;

(g) Borrower will pay all real estate taxes and assessments of every kind on the Property before the same become delinquent, and Lender may at any time require Borrower to provide evidence that taxes have been paid current;

(h) In the event that Lender shall expend any amount in performance of any of Borrower's covenants or agreements under the Note or any document securing the Note, such amounts shall constitute additional indebtedness secured under the Contract;

(i) All of the personal property, fixtures, attachments, and equipment delivered on, attached to, or used in connection with the construction of the Improvements or the operation thereof will be kept free and clear of all liens, encumbrances, and security interests whatsoever, and Borrower will be the absolute owner of such personal property, fixtures, attachments, and equipment and Contractor and Borrower will, from time to time, furnish Lender with satisfactory evidence of such ownership, including searches of applicable public records;

(j) Borrower and Contractor will comply with their respective obligations under this Agreement and the Contract and with all applicable laws, rules, ordinances and regulations;

(l) Contractor will keep accurate and proper books and records of the construction of the Improvements, and will at all reasonable hours allow Lender or its representative to examine such books and records and all contracts and bills relating to the construction of the Improvements.

(m) Contractor shall not discriminate against any employee or applicant for employment because of sex, race, creed, color, national origin or handicap and shall take affirmative action to ensure that during the application process and during employment applicants and employees are treated without regard to their race, creed, color, national origin or handicap. Such action shall include, but not be limited to hiring and employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor shall continuously post in conspicuous places, readily available to employees and applicants for employment, notices to be provided or approved by the County of Hidalgo, setting forth the provisions of this non-discrimination provision and such other notices as may be required by law.

8. Actions For Lender's Benefit Only. **THE AUTHORITY HEREIN CONFERRED ON LENDER AND ANY ACTION TAKEN BY LENDER IN MAKING INSPECTIONS OF THE PROPERTY, PROCURING SWORN STATEMENTS AND WAIVERS OF LIENS, APPROVING CONTRACTS AND SUBCONTRACTS AND APPROVING PLANS AND SPECIFICATIONS WILL BE TAKEN BY LENDER FOR ITS OWN PROTECTION ONLY, AND LENDER SHALL NOT BE DEEMED TO HAVE ASSUMED ANY RESPONSIBILITY TO BORROWER OR ANY OTHER PERSON WITH RESPECT TO ANY SUCH ACTION HEREIN AUTHORIZED OR TAKEN BY LENDER OR WITH RESPECT TO THE PROPER CONSTRUCTION OF THE IMPROVEMENTS, PERFORMANCE OF CONTRACTS OR SUBCONTRACTS BY ANY CONTRACTORS OR SUBCONTRACTORS, OR PREVENTION OF CLAIMS FOR MECHANIC'S LIEN.**

9. Non-Waiver By Lender. No waiver of any breach or default hereunder shall constitute or be construed as a waiver by Lender of any subsequent breach or default or of any breach or default of any other provision. No waiver of any term or provision of this Agreement shall be binding unless executed in writing by the party entitled to the benefit thereof. Pursuit by Lender of any remedies set forth in this Agreement does not preclude pursuit by Lender of other remedies in this Agreement or provided by law.

10. Conflict of Interest. **BORROWER AND CONTRACTOR REPRESENT AND WARRANT TO LENDER THAT, TO THE BEST OF THEIR KNOWLEDGE, NO EMPLOYEE, AGENT, CONSULTANT, OFFICER, OR ELECTED OR APPOINTED OFFICIAL OF LENDER WHO EXERCISES OR HAS EXERCISED ANY FUNCTIONS**

Except for good cause shown, any dispute not submitted within such ten (10) day period shall be deemed waived. While a dispute is pending, Contractor and Borrower shall otherwise proceed to perform all obligations under the Contract and this Agreement not otherwise in dispute.

14. Interpretation. No provision of this Agreement will be interpreted in favor of, or against, any of the parties hereto by reason of the extent to which any such party or its counsel participated in the drafting thereof or by reason of the extent to which any such provision is inconsistent with any prior draft hereof or thereof. 18. Insurance. Consistent with its status as an independent contractor and at its sole expense, Contractor agrees that throughout the duration of the work under this contract and any extension hereof, it shall provide and maintain any and all insurances and abide by any requirements which may be necessary in providing services or are otherwise required by law. Insurance policies shall cover, but are not limited to, Contractor's activities and all persons, vehicles, equipment and property connected with providing services, to include theft or loss. The amount of insurance required shall be in accordance with amounts specified by the Lender or as prescribed by law, but in no event shall any amount be less than the minimum amounts prescribed by law, including, but not limited to the Texas Tort Claims Act. Any and all applicable insurance requirements and amounts are incorporated herein by reference for all purposes. For each applicable policy, Contractor shall name the Lender as an additional insured. Contractor shall notify Lender a minimum of thirty (30) days in advance of cancellation of all or part of a policy. Contractor shall make any other insurance documentation available to Lender upon request.

19. Indemnification. **Contractor shall indemnify and hold harmless Lender, its elected officials, employees and agents from any and all claims, damages, losses, and expenses including attorney's fees for the defense of any action against Lender arising out of, resulting from, or connected with the provision of the service by Contractor under this Contract. Said indemnity shall cover any act or failure to act by the Contractor, its agents or employees.**
