Good Afternoon Mr. Gonzalez,

We reviewed PSJAISD's requested modification and recommend that the language in No. 9 be revised as indicated below to address the concern. It is approved as to form subject to inclusion of the same.

In the event of a needle-stick or other exposure to potential blood-borne pathogens, the employee will have access to medical evaluation and post-exposure prophylaxis through the District's policies. The District agrees to have mental/behavioral health services available to all staff and volunteers during and after exercises, drills, and emergency operations. ~~The District shall provide professional liability indemnity coverage for District staff and volunteers rendering services under this Agreement. The County shall provide professional liability indemnity coverage for County staff and volunteers rendering services under this Agreement.~~ Each Party shall provide general liability insurance covering its respective activities and its respective staff and volunteers in providing the services under this agreement in an amount not less than the minimum amounts prescribed by the Texas Tort Claims Act, §100.001, et seq., Texas Civil Practices and Remedies Code.

Please let us know if you have any questions.

Respectfully,
