Good morning Mr. Tovar,

As per our conversation earlier, MOU C-19-151-05-07 for Classroom located at 134 N. 86th Street in San Carlos will be expiring on June 30, 2021 with no renewal option.

Precinct 4 is requesting to start the process for a new two (2) year MOU.

Please advise if Head Start is in agreement to continue to proceed with the procurement process.

Hi, Ms. Yolanders-
Hope you're doing well and keeping warm 🤗.

The Commissioner has asked to proceed with the MOU between County and Head Start. Therefore, we ask that you please "draft" out the new MOU to continue with the same services with Head Start with the same term of two (2) years and this time with an option to extend/renew for an additional two (2) years.

Thank you in advance for All your hard work and efforts!

Respectfully,
Letty

The Purchasing department has just advised that the MOU (attached hereto) is coming to expire in June and has no extensions.

The MOU is between the County and Headstart for the purposes to use **(one (1) classroom located at 134 N. 861h Street, Edinburg, TX)** for Head Start to conduct its Early Childhood Development Program.

Let me know if we need to enter into a new MOU with Head Start for these services so that I can advise Purchasing to draft a new MOU prior to expiration.

Respectfully,
Letty
