RE: Hidalgo County ADO Installation Project - Change Order #2 Owner Requested Item #7

Mr. Villarreal,

MOOD is pleased to provide a quote in the amount of \$1555.00 at **Precinct 2 - Admin Office Commissioner’s Office** w/ (2) ADOs and (1) Bathroom Privacy Solution System which will include a 3rd ADO. The Automatic Door Operator (ADO) system will be installed on two (2) Lobby doors. The ADO system will be installed and connected to the existing Access Control. Access from the Lobby into the interior will require the Access Control credential and exiting from the interior of the building through the Lobby will have the touchless “Wave to Open” wall sensor. MOOD will configure the existing Access Control with the ADO system. The quote includes electrical wiring, conduit and backboxes for all three doors.

The Restroom will have the same ADO but includes a specially designed Camden touchless switch system that will allow touchless entry for an individual, touchless locking of the door when the restroom is in use and touchless exiting from the interior of the restroom. The quote includes all equipment and installation for the privacy solution. In addition, the electrical wiring, conduit and backboxes required will be provided.

Below is a breakdown of the expenses:
