Greetings Commissioner Torres,

The Linn-San Manuel Community Improvement Corporation (LSMCIC) would like to assist the County of Hidalgo with the development of the Linn-San Manuel Veteran's Park. In doing so, we would like to donate a forty foot (40') lighted marquee sign to the County of Hidalgo that will be installed and constructed at the Linn-San Manuel Veterans Park. Please see design exhibit attached.

Along with the donated lighted marquee sign, the LSMCIC will donate the services of a licensed engineer for the design, installation and construction. The procurement of a State of Texas licensed engineer is necessary to ensure proper design that compliments the park development. Lastly, the Linn-San Manuel Community Improvement Corporation will donate the services of certified professional(s) responsible for the installation of the lighted marquee sign according to specifications.

The valued cost of the donated materials and service is \$19,095.00. The Linn-San Manuel Community Improvement Corporation understands that the lighted marquee sign it will become an asset of the County of Hidalgo as per the Memorandum of Understanding.

Sincerely,

Carlos X. Guerra, Chairman
Linn-San Manuel Community Improvement Corporation
