Mr. Viña,

Made modification at commencement of paragraph to not limit response to RFP. I ran a report as to how often the service is utilized by SO and found that since 2013 to 2020 we only have expensed \$13,205.00 which explains the lack of language for substitute in case he is not available.

Already working on that one. Had a couple of questions.

It does not have a provision for providing a substitute in case they are not available. It only says that they are to be on call unless out of town. Is there a reason to not have this type of provision? If not, then I would like to recommend adding.

Also I had a question about the limitation at the beginning, it states "...and _____, a resident of Hidalgo County, Texas..."

Also wanted to find out - using an RFQ? If so then a reference to professional services procurement act?
