Subject: Nurses Week 2021

Good afternoon Mr. Sanchez

It was great speaking with you a few minutes ago. My name is Aaron Salinas and I am the President of the Rio Bravo Chachalacas #438 (our Local Emergency Nurses Association in the Rio Grande Valley). I have reached out to you requesting Hidalgo County Commissioners Court have a Proclamation for National Nurses Week 2021. Nurses' week is an annual Celebration of all the nurses around the world. This celebration begins May 6, 2021, and continues till May 12, 2021 , which is Florence Nightingales birthday (who founded modern nursing).

COVID 19 has changed and affected many lives and nurses all over the country have continued doing what is needed to provide safe, quality patient care to our patients in our communities.

The World Health Organization declared 2020 as the Year of the Nurse and Midwife and while COVID 19 did not allow for many moments to celebrate it is important to recognize the work that nurses do daily.

Nurses have been recognized as the most ethical and trusted profession by a recent Gallup Poll.

Nurses make up highest percentage of healthcare workers in the United States with over 4 million working nurses in the United States.

We like to take this opportunity to appreciate and recognize the nurses that risk their lives and continue to serve our patients and communities.
